

Academic Year 2025-26

Socio-Economically Disadvantaged Groups Cell

The **Socio-Economically Disadvantaged Groups (SEDG) Cell** is established as per UGC guidelines to promote inclusive education and support students from underprivileged backgrounds. It functions independently to ensure equitable access to academic resources, institutional support, and developmental opportunities.

The Cell, headed by the principal and senior faculty members, includes faculty, administrators, and student representatives. Its key roles include academic support, scholarship guidance, mentorship, counselling, remedial classes, skill development, career initiatives, and grievance redressal.

Through regular monitoring, workshops, and outreach activities, the SEDG Cell promotes social equity, inclusiveness, and the overall academic progress and well-being of students.
